CHIGNIK BAY TRIBAL COUNCIL COVID-19 Travel MANDATE

Due to the Rise of the Covid-19 cases in Alaska we are asking that we all do our part in making our Village Safe.

The Chignik Bay Tribal Council has set mandates in an effort to prevent the spread of COVID-19 within our community.

The following mandates are for everyone coming in and out of Chignik Bay.

TRAVEL RESTRICTIONS:

- Essential and Non-Essential Travelers coming into Chignik Bay must be tested negative within 72 hrs prior to arrival.
- You are required to quarantine for the full 14 days from your time of arrival in Chignik Bay .
- If there is a positive in Chignik Bay that person is required to Isolate until further notice and there will be a lockdown in effect from that date until further notice:
 - *No travel into Chignik Bay by air or water
 - *Only emergency travel allowed
 - *Everyone will be required to do a test
 - *No social gatherings or visiting outside your residence

1. Wear Masks in public places.

2. Wash your hands often with soap and water.

3. Watch your space keep 6 feet apart and limit activities where there are groups of people.

Don't just do one do all three for not just your safety but for all the people you are around.

Ignoring or violating this mandate can result in removal of services provided by the Chignik Bay Tribal Council.
