Date May 11, 2021

Village of Iliamna Health Mandate

New Update on Covid-19 effective immediately:

Travel to and from other villages is allowed. Masks are REQUIRED in all public places! At this time, we are still following CDC and the Lake and Peninsula Borough's guidelines.

All travel into Iliamna is allowed;

If you are not vaccinated **traveling into Iliamna from Anchorage** 72 hours or longer, the traveler must get a COVID test before arriving in Iliamna. If travel is less than 72 hours, a test for return is not required but you will need to quarantine for 14 days or get tested 5-7 days after arriving and wait for a negative test result before getting out of quarantine. If you are fully vaccinated, testing or quarantine is not required unless you have symptoms, or have been exposed to someone with COVID-19. We still recommend social distancing and using your mask in all public places.
